The above-named company agrees to employ (number) ___ student/s and will pay the established fee to the CSUN College of Engineering and Computer Science as follows (your company will receive an invoice once placements are made):

~~\$3,000 for one student~~

~~\$500 for each additional student~~

Fee waived for non-profit organizations

The company agrees to employ the student/s full-time beginning June 4, 2001 through August 24, 2001 and half-time (20 hours per week only) during the Fall Semester 2001 and Spring Semester 2002. The company agrees to pay a fair wage to the student/s and provide Worker's Compensation coverage to the student/s.

The company will provide the Co-op student/s with a meaningful, career-related assignment as agreed upon with the Co-op Director. The company will identify a person who will supervise the student/s and meet periodically with the College's Co-op Director and student's faculty advisor. The company and its representatives have been briefed on the program and understand their role with regard to the program, student, and College.

The company will be given the opportunity to interview eligible students for prospective employment through the Honors Co-op program and present a ranked list of choices to the Co-op Director. The company understands that there is the possibility that there might not be a suitable student-company match, therefore eliminating Co-op participation. In this event, all monies would be refunded to the company.
